Proposed rules	<table><tr><td>New</td><td><input checked="" type="checkbox"/></td><td>Amendment</td><td><input type="checkbox"/></td><td>Repeal</td><td><input type="checkbox"/></td></tr><tr><td colspan="6">Repeal and reenact</td></tr></table>	New	<input checked="" type="checkbox"/>	Amendment	<input type="checkbox"/>	Repeal	<input type="checkbox"/>	Repeal and reenact					
New	<input checked="" type="checkbox"/>	Amendment	<input type="checkbox"/>	Repeal	<input type="checkbox"/>								
Repeal and reenact													
Other rule types	Change in proposed rule (changes original proposed rule file no.: <input type="text"/>)												
4. Purpose of the rule or reason for the change: To comply with the modification made to the statute with the passage of HB 229.													
5. This rule or change is a response to comments by the Administrative Rules Review Committee. <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No													
6. Summary of the rule or change: The rule change eliminates the sunset date (December 31, 2006) for hospitals to report trauma registry data to the Department.													
7. Aggregate anticipated cost or savings to: State budget: \$200,000 for staff, hospital personnel grants, copying and mailing expenses for hospitals, data analysis, data collection system including software, maintenance, technical assistance, report writing and generation, and performance improvement processes. Local government: Other persons: Initially, \$25,000 aggregate for hospitals to support data entry personnel. This expense is reimbursed by Department through annual grants to the hospitals.													
8. Compliance costs for affected persons ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an agency): Hospitals, not designated as trauma centers, will have costs ranging from \$50 to \$6,500. These costs will be covered by the Department through grants for data entry personnel and reimbursements for copying and mailing expenses for smaller facilities. The trauma registry software has already been provided to the hospitals got data entry and technical assistance is also provided by the department.													
9. Comments by department head on the fiscal impact the rule may have on businesses:													
10. This rule or change is authorized or mandated by state law, and implements or interprets the following state and federal laws. State code or constitution citations (required): Federal citations (optional):
